Students who are cast in Aida are expected to conform to a standard of behavior that will reflect positively on themselves, their fellow cast members, their families, and their school. Please read the following and, following your conscience, sign if you agree to these standards.

- Cast members are not allowed to smoke, use alcohol or illegal drugs while in rehearsals, performances, cast parties, or any activity representing the Summer Musical. Violations will result in removal from the cast. We are serious about this.
- Cast members will refrain from use of profanity while in rehearsals, performances, cast parties, or any activity representing the Summer Musical.
- Cast members will refrain from excessive displays of “show-mance” behaviors in rehearsals, performances, cast parties, or any activity representing the Summer Musical.
- Cast members who drive will not take younger students off campus unless given permission by the parent of the student. (students who are under 16)
- Cast members will try to follow the edict of Mr. Spock who said “the needs of the many outweigh the needs of the few” and behave in a selfless manner whenever possible. While individual needs will be met whenever possible, the cast as a whole will remain the important entity.
- Cast members will respect the property of others and refrain from “borrowing” anything without permission. This includes money, make up, costume pieces, shoes, lunches, etc.
- Cast members will attend all rehearsals on time, and have only absences that correspond to the original conflict sheet. Excessive absences or tardies can jeopardize your spot in this show.
- Cast members who are 18 must understand that though they have graduated from high school, and may be treated as an adult in legal matters, for the purposes of this summer show they are held to the same standards as any other cast member. Any use of drugs, tobacco, or alcohol will result in termination of your participation.

- Parents are strongly urged to attend the parent meeting in the Leon Chorus Room on May 1<sup>st</sup>.
- Parents are asked to support their student by providing transportation as needed; making sure students are taking care of themselves (especially as we approach “show week”) and participating in one or more of the parent support committees.
- Parents are asked to not take students out of town unexpectedly during this production. All conflicts should be registered with the student as they complete the online registration, including the July 4<sup>th</sup> holiday. We are only observing the 4<sup>th</sup>.
