YES, we're on the Leon High campus, BUT.....

Please don't call, or go to the front office at Leon for anything! They can't help you, and are very busy!!! Our spaces are the theatre, cafeteria, annex, and chorus room. Those ARE air-conditioned. ☺ If you need to get ahold of your cast member and they aren't responding to you because they are in rehearsal, please text Michael Mello (our awesome Stage Manager!)

COVID-19 protocols

- Temperatures will be checked daily at the beginning of rehearsal and after the lunch break.
- Masks are to be worn by all cast and staff at all times.
- PERFORMANCES will be unmasked while on stage, masked while dressing and if backstage for a long period of time (run crew/tech will wear masks at all times)
- If a cast member is feeling ill, please do not send them to rehearsal with symptoms. Additionally, if a cast member tests positive for Covid-19 they must quarantine for 10 days or until they receive a negative test.
- If a cast member is exposed to Covid-19 and is vaccinated, the cast member may continue to attend rehearsal. If unvaccinated, they must quarantine for the 10 days. (If LCS policy on this changes, we will notify you!)

COSTUME INFO

- If you have tap shoes – there is a tap number (but not everyone will wear taps!!!)
- Male characters will need flat black JAZZ shoes – also – don't cut your hair short between now and the show!
- Everyone should have undergarments appropriate to backstage quick changes.

ADDITIONAL INFO

- We will break for lunch from 1:00-1:50. Students going off campus for lunch must be back at rehearsal on time. There is NO food or drink, except bottled water allowed in the theatre, backstage, or chorus room. Not at all. Ever. This cast is comprised of **mostly** 15-18 year olds. If they do not have a car, they will make friends quickly and jump in their car to go to lunch. If you do not want your student riding with other student drivers, **let us and your student know** (ASAP!) and we will ensure they stay on campus.
- Once we begin evening rehearsals and performances, we like parents to stay near the building entrances and parking lots until the students are gone (for security reasons). Parents are NOT allowed in the backstage theatre area during rehearsals and performances unless specifically requested to do so.
- You will receive a link to a google drive where we will securely upload the video of this production. PLEASE do not violate our copyright agreement by video-taping or taking flash photos during a production. We also ask that you use discretion when posting photos on Facebook or other social media. The show should always be presented to the public in a professional way.
