☐ Cast members are not allowed to smoke, vape, use alcohol or illegal drugs while in rehearsals, performances, cast parties, or any activity representing the Summer Musical. Violations will result in removal from the cast.

☐ We expect that whatever you SAY you'll accept on your AUDITION FORM – you will accept! (don't check ensemble if you aren't willing to be in the ensemble!)

☐ Cast members will refrain from using profanity in rehearsals, performances, or anything representing the Musical.

☐ Cast members will refrain from excessive displays of "show-mance" behaviors at any Summer Musical Activities.

☐ Cast members who drive will not take other students off campus unless given permission by the parent of the student.

☐ Cast members will try to follow the edict of Mr. Spock who said "the needs of the many outweigh the needs of the few" - While individual needs will be met whenever possible, the cast as a whole will remain the important entity.

☐ Cast members will respect the property of others. Do not borrow without permission.

☐ Cast members will attend all rehearsals on time, Excessive absences or tardies (not detailed on original conflict sheet) can jeopardize your spot in this show, or in the scene we are working on that day. This includes strike on July 5th. **Conflicts affect casting.**

☐ We expect that after casting, students will not schedule trips, intensives, camps, or other activities that might cause them to miss rehearsal, even for a couple of days. All conflicts should be on the registration form. This affects casting.

☐ Cast members are expected to attend rehearsals in "rehearsal attire," which means clothing you can move in with no images or writing, no jeans or overly baggy clothing. We prefer adherence to LCS dress code. You may wear leggings/tights/unitard/leotard as long as you have a cover up such as shorts or a dance skirt. Rehearsal attire includes appropriate footwear: tennis/jazz/character shoes. Do not wear sandals or flip flops. Please no underwear as outerwear.

PARENTS – PLEASE READ, INITIAL AND SIGN ON BACK

Parents - Please initial beside everything you agree with, and sign in the yellow areas.

Parent Initials (not just checks)

☐ Parents and cast are expected to attend the show meeting in the Leon Chorus Room on February 9th at 6pm.

☐ Parents are asked to support their student by arranging transportation as needed; making sure students are taking care of themselves (especially as we approach "show week") and participating in at least one day of the box office at a show. (Please see the performance calendar on www.leonchorus.com to see show dates!) We cannot do this show without parents putting some "boots on the ground"

☐ We expect that after casting, students will not be taken on trips, intensives, camps, or other activities that might cause them to miss rehearsal, even for a couple of days. All conflicts should be on the registration form as availability affects casting.

☐ We understand that we get July 4th off, but are expected to help with Strike on **July 5th.**

☐ Please do not use participation in this show as "behavioral leverage." If participation in this show are dependent upon outside factors, please do not allow your student to audition. We begin making costumes as soon as the show is cast, and it is a great inconvenience to reassign voice parts, solos, and redo handmade costumes. **Please confer with all parental units who may have control over the student's participation.**
